## KCarl Smith

KCarl Smith, a retired U.S. Army officer and former member of President Trump's Presidential Campaign Coalition Advisory Board, is a nationally recognized author, speaker, and the innovative mind behind the Frederick Douglass Republican Engagement Strategy™. With 15 years of real-world successes, this powerful and proven messaging model positions him as the nation's leading expert on diversity engagement, solving the number one problem of conservatives — messaging. His recent work, ["Telling Conservatives the Truth: Leveraging the Life-Empowering Values of Frederick Douglass to Save America,"](#) is a testament to his unwavering dedication to advancing our founding values and constitutional principles.

KCarl's impact extends far and wide, empowering thousands of conservatives, candidates, Republican Party precinct leaders, and county and state leaders with his proprietary and transformative, diversity outreach strategy. KCarl's extensive travels across the nation include addressing over 700 conservative, Tea Party, faith-based, and Republican groups, leaving an indelible mark on the conservative landscape. As a monthly contributor to 1819News, KCarl continues to reinforce his commitment to advancing our founding values and constitutional principles. Beyond his advocacy for liberty, KCarl actively supports government school system reform and vehemently criticizes the anti-liberty and anti-God agenda imposed on our children.

As a dynamic force in the conservative movement, KCarl continues to shape the discourse and drive positive change on a national scale.
